

GROUP CLASSES

The SW Florida Professional Dog Trainers Alliance promotes responsible dog ownership and humane training methods. We are committed to the highest of ethical standards in both the handling of the dogs entrusted to our care and client satisfaction!

STAR PUPPY HEAD START

Get your puppy off to a great start! The focus is on proper socialization, training for a sound temperament and foundation behaviors. Over the course of 8 weeks, we also assist with puppy behavioral challenges.

GOOD MANNERS

Does your dog jump on people? Pull on the lead? Refuse your requests? If you want your dog to be a good Canine Citizen with proper social skills then this is the class for you!

BASIC OBEDIENCE

This class focuses on the continuation of the foundation work set in our Good Manners Classes and is useful for those handlers who want a higher level of compliance from their FUR Buddy!

Beyond Basics

Fine tune your companion's skills while having tons of fun! This course combines intermediate obedience skills and helps the handler/dog team in shaping solid teamwork!

WALK THIS WAY! SUPER SKILL

This advanced one-on-one class teaches the mechanics of precision heeling work skill sets and begins off-lead training.

MORE GROUP CLASSES & FUN STUFF!

FUNDamentals OF CLICKER TRAINING

If there is a Magic Wand in the world of dog training, it must be a clicker! Take your training to the next level and inspire your dog to give you his best while learning to shape complex Behaviors.

FOUNDATIONS OF AGILITY

Designed to improve communication, cooperative spirit and focus to the handler . Join us to explore this incredibly fun and exciting dog sport. This class is for people and dogs of all ages!

Fun! Fun! Fun!

BASIC & INTERMEDIATE AGILITY

Presented on an approved Novice—Advanced level course, this class will challenge your dog mentally and physically.

Prepare to compete or just come have fun and run off some of energy. You may even be able to give up your gym membership!

STAR PUPPY AGILITY

This class is designed to help the active puppy learn in an exciting and stimulating environment.

We combine the basics of puppy obedience with the excitement of agility for a winning combination!

TRAINING FOR THE REAL WORLD

This class moves to a different location around town each week and focuses on public social skills.

REALLY, REALLY COOL THINGS TO DO WITH YOUR DOG!

COMPETITIVE OBEDIENCE

Join our Champions Club and enjoy the fun and excitement of formal competitions in obedience & Rally-O.

Pre-Novice to Advanced Levels Available

FOUR PAWS AGILITY CLUB

Our 4-PAWS agility club is designed for those dogs with a competitive spirit and drive to excel.

Intermediate to Advanced skill level only please.

REALLY RELIABLE RECALL

Want to be sure Rover comes to you when called no matter what is going on? Then this class is for you! Private Classes only.

GROWLY DOG

Does your dog bark, snap or growl at other dogs or people? We can help your dog to learn social adaptability & tolerance in changing social situations.

THERAPY DOGS ~ PAWS THERAPY DOG TEAM

We all know the soothing touch of an animal can calm the soul and heal the spirit.

This class will train your dog to provide loving support to those who may be ill or who only need the healing touch of a canine friend.

Requires Temperament Assessment and prior PAWS Therapy Dog Certification.
